

Barracuda Networks Partner Application

To become a Barracuda Networks Partner, please complete and send in to us the attached application. Thank you for your interest in becoming a Barracuda Networks Partner.

Program Requirements

- Primary focus of your company is providing business-computing-phone solutions to end user customers.
- Provide first-level pre-sales and post-sales services for your customers.
- Provide first-level technical support for your customers.
- Purchase products directly from Barracuda Networks or via an authorized distributor.
- Maintain technically proficient support staff with demonstrated experience in network systems.
- Completed application form.
- Signed Partner Agreement.

Program Benefits

- Marketing Materials. Barracuda Networks provides a large amount of sales and marketing tools including presentations, competitive analysis, datasheets, white papers, customer stories, training videos, Web casts, and customizable advertising templates. This full portfolio of materials is available for partners to utilize in selling Barracuda Networks products.
- Qualified Leads. Barracuda Networks generates leads through a wide range of marketing efforts. Pre-qualified leads are distributed to our partners.
- Cooperative Marketing Programs. Partners may qualify for Cooperative Marketing Programs whereby Barracuda Networks will fund up to 50 percent of joint marketing events.
- Discounted NFR Units. Partners may purchase a unit of each Barracuda Networks product type at 50% or more discount for internal use and demonstration.
- Newsletter. Partners receive the latest information on products, technical enhancements, promotions, news, industry trends, and more, in an easy-to-access electronic format.
- Partner Sales and Technical Webinars. Partners can join the Barracuda Networks' team on a regular basis to learn about new products, product updates, effective selling techniques, and to engage in question and answer sessions.
- Partner Portal. Partners can obtain marketing materials, exchange units, and activate units via access to the Barracuda Networks Partner Portal.
- On-Site Sales Training. Partners can receive on-site sales and product training. Training sessions are designed to help partners discover firsthand the key features and benefits of Barracuda Networks' products from a Barracuda Networks representative.
- Priority Phone and Online Technical Support. Partners receive priority status in phone and online technical support.
- Web-based Online Demos. Partners will receive access to Barracuda Networks' convenient Web-based online demos for use during sales calls.
- Joint Account Calls. For those extra critical account calls, Barracuda Networks sales representatives are available to make joint account calls with our partners.
- Product Promotions. Partners can take advantage of Barracuda Networks product or pricing promotions specially designed only for Barracuda Networks partners.
- Demo Program. Partners can obtain hardware customer evaluations by paying only a nominal setup fee. These units can be used for many customer evaluations.
- Online Training. The Barracuda Partner portal includes online testing and training for both sales and technical teams.
- Barracuda University. Partners get access to Barracuda University for training. A large number of service and support courses are available.
- Rapid Replacement Program. For Partners that need to provide 4 hour Instant Replacement to their customers Barracuda has a program to provide these units.
- Upgrade Program. For Partner customers that need to upgrade Barracuda Products, Barracuda has a program to provide significant credit on purchases that have already been made.
- Renewal Notifications. Partners are notified of the renewals in any Barracuda Subscriptions so you can get these orders in a timely fashion from the customer.
- Online Ordering. As a partner you can place your orders on-line with Barracuda to further speed processing
- Deal Registration. As a partner you can and should register your deals on-line for additional discount and protection.

Please review the documents in their entirety. This form is designed to give Barracuda Networks a clear picture of your business. The time that you invest in completing this form will help us develop our relationship with you. In order to avoid delays in processing, please fill out this application completely.

Once your application is accepted, we will provide you with the Barracuda Networks Partner Agreement for you to sign. This completes the process of becoming a Barracuda Networks Partner.

We look forward to building a great working relationship with you.
